To whom it may concern:

Roex, Inc., 2081 Business Center Drive, Suite 185, Irvine, CA 92612 is marketing of its Ester-C® dietary supplement containing Vitamin C and calcium.

The Following nutritional support statements are being made with respect to this dietary supplement: "These Ester-C® metabolites potentiate the absorption and utilization of Vitamin C in the immune cells and other white cells of the blood and they are key to the power of Vitamin C. No other Vitamin C has been shown to enter critical cells of the immune system like Ester-C®.

The undersigned certifies that the information contained herein is accurate and complete and that the notifying firm has substantiation that the statements are truthful and not misleading.

Very Truly Yours,

Derek Burreson
Chief Operating Officer
